## 1 PEARL CITY Our Lady of Good Counsel Parish

Our outreach ministry has served the needy for over a decade. From January to present, 15 caring, dedicated volunteers have helped approximately 600 people from Pearl City and its surrounding communities. Parishioners, public school organizations, businesses and Aloha Harvest donate food items regularly to our food pantry. During the holidays, the pantry distributes food vouchers and certificates donated by parishioners and a local supermarket. Another food source is the Hawaii Food Bank. Donations of canned foods, cereals, snacks, toiletries and baby formula are always welcomed. Our food pantry is open 9-11:30 a.m. Mondays and Thursdays. Volunteers are needed, including students seeking community service credit. If you or someone you know needs food, please register with our Food Pantry/Outreach Ministry, 1525 Waimanoa Home Road, Pearl City, or call 455-3012. All requests are handled confidentially. "If you bestow your bread on the hungry and satisfy the afflicted, then light shall rise for you in the darkness and the gloom shall become for you like midday." (Isaiah 59:10). The Lenten series on the sacraments based on Deepening Faith from Paulist Evangelization Ministries ended April 7, with parochial vicar Father Gerry Somera teaching a class on Holy Orders. He explained the functions of the three degrees of Holy Orders: bishop, priest and deacon. This class generated the most questions, many on the ordination of women. Father Gerry explained that Jesus chose 12 men as apostles even if there were women followers. He also cited Pope John Paul II's "Ordinatio Sacerdotalis" as the basis for the church's teaching on ordination of men only. At the end of the evening, the staff of Deepening Faith was acknowledged for their commitment to the program. It's hard to believe another Lenten season has come to a close. Hopefully, we will continue to grow more Christ-like through prayer, fasting and almsgiving! Some of our Lenten activities included traveling by St. Theresa School bus to the vicariate Chrim Mass at St. Catherine Church, Kapaa, April 1. Afterward, we enjoyed ice cream sundaes, thanks to

the St. Catherine parishioners. Sooo ono! It was wonderful to see Bishop Larry Silva again and to witness our Kauai clergy renew their priestly vows and participate in the blessing of the Holy Oils. Sacred Hearts Father Herman Gomes of St. Ann Parish, Kaneohe, spoke on "A Lenten Journey with St. Damien." That, coupled with the diocese's daily Faith e-Formation "Lenten Retreat with St. Damien," helped many of us learn more about this holy man and his great love of God and the people of Kalawao. Our Youth Mass is celebrated on the third Sunday of every month. Each grade level participates as lectors, acolytes, offertory ministers and choir members. Grades five and six were in charge of the Youth Mass on March 16. They had been studying Jesus' way to happiness — the Beatitudes. From these studies, these classes chose to be pure of heart — a Beatitude people. We chose to live our lives for God, and not for the things of the world. We wore rope belts like the Desert Fathers who tied 150 knots in their belts to help them count their prayers. With these belts we circled ourselves into

Shovels, rakes, garden hoes, paintbrushes and gloves; Oh my! On March 29, more than 50 volunteers made up of American Savings Bank employees, family members and friends came out in force to our school. Even through the deluge of rain, the helpers removed weeds and unwanted vegetation, planted new groundcover and foliage, gathered and bagged trash and debris; repainted the four-square and hopscotch area; and just gave the school property a total makeover. The ASB Seeds of Service project is a yearly bank-wide initiative that began in 2006. It's now a statewide venture with projects on Oahu, Kauai, Maui, Molokai and the island of Hawaii. It encourages employees to team up with local schools and non-profit organizations to help with landscaping, cleaning, restoration and other neighborhood needs. Our school's faculty, staff, students and their families know the parable of the Good Samaritan. It's reflected in their many charitable initiatives such as food drives for the Food Bank and our church pantry; Pennies for Patients collections; Jump Rope for Heart activities; the American Cancer Society Walk-a-Thon; to name a few. They are known for their generosity, compassion and demonstrating the corporal works of mercy. Everyone at our school agrees that ASB is very dedicated to helping our school prosper and grow, and the children are thankful for all their hard work. It's nice being on the receiving end this time!
