Our Lady of the Mount Parish

On Aug. 15, our parish celebrated the feast day of our dear patroness. The lovely image of **Our Lady of the Mount** was enshrined in the sanctuary adorned with flowers and candles. A novena was prayed nine days prior to the feast, which coincides with the solemnity of the Assumption of Mary. Presiding over the solemn feast day Mass was visiting **Bishop Renato Mayugba**, seated center, of the Diocese of Laoag, Philippines. Concelebrating were our pastor **Father Edgar Brillantes,** left, and pastor emeritus **Father Adrian Gervacio,** right. The celebration culminated on Aug. 16, with a candlelight procession to the mountainside grotto of Our Lady under the care of the **Brotherhood of Our Lady of the Mount** who also served complimentary delicacies for fellowship. We thanked and sang the praises of our beloved patroness for her loving guidance and blessings to our parish for the past 144 years of its existence. *(Reported by Fran Kovaloff; photo by Jun Cortez)*

On June 27, our parish **Sacred Hearts group** celebrated its 16th anniversary with Mass for the Feast of the Sacred Heart of Jesus at 6 p.m. After Mass, our group had a simple celebration at the cafeteria. Our guests were pastor La Salette **Father Manny Dela Cruz** and priest-in-residence **Father Francis Sanchez.** Our bento meal included rice, pancit, teri chicken, embutido and paradosdos. Some members brought other delicacies to be shared. As usual, there were raffles, trivia questions and door prizes. To everyone's surprise, both priests volunteered for a game that called for two groups of five people. Outside the cafeteria, out of sight from each other, each group was given a box of newspaper and magazine pages and instructed to dress the model of their choice. The laughter started when each group chose their priest. When the models were presented, the cafeteria became a hilarious and noisy place. Father Manny came out as a bride with a long train, complete with a headdress, veil and a bouquet that he tossed to the ladies. Father Francis came out with a long gown with ruffled neckline, a huge flyaway headdress with flowers and a bag. The decision was a tie for both hard working groups and their cooperative priests. Thank you very much, Fathers, for being such good sports and making a memorable anniversary! *(Reported by Fe Rodillas)*

Thirty-three parish catechists, two catechist assistants and one religion educator from the parish school spent the morning of Sept. 13 at their annual retreat, a week before Catechetical Sunday Sept. 21. The retreat focused on **Pope Francis'** address to pilgrim catechists for the International Congress of Catechesis in Rome Sept. 27, 2013. The retreatants reflected on the pope's three themes: "Abide by Jesus," "Imitate Jesus by leaving ourselves behind" and "Go out to encounter others; go out with Jesus to the outskirts." The songs "We Are Called to Serve," "As the Deer Longs," "The Summons," "Center of My Life," and "Be Not Afraid" were woven into the pope's address. The retreat included a half-hour adoration of the Blessed Sacrament. Pictured are some of the catechists who attended the three-hour retreat facilitated by the parish director of religious education. *(Reported by Julia Torres)*

International youth speaker, musician and beat boxer **Paul J. Kim** spoke at our parish for two nights: Aug. 20, "Church Isn't Boring. You Are" and Aug. 21, "Lust vs. Love, Counterfeit vs. Authentic." Kim had made a lasting impression to our small contingent of adults and young people at the 2014 Youth Day in Anaheim. With support of pastor **Msgr. John Mbinda**, **Deacon Wally Mitsui** contacted Paul to speak at our parish. Paul's humor and inspiring message captivated young and old with insightful stories, Catholic values and powerful Scripture messages on subjects like chastity, sex, pornography and authentic love. Both nights began with praise and worship with our **Youth and Young Adult band** led by **Allen Orsense** and **Nolet Quiason**. Deacon Wally and Alvin led prayer. **Italo Fonglesong** gave a rousing introduction of Paul and **Maggie Kim**. Other parishes represented were **Our Lady of Sorrows, St. Joseph, Resurrection of the Lord, St. Anthony,** Kalihi. Paul's message was money, sex, drugs, popularity and power cannot truly satisfy a person's heart. Instead we must invite God into our lives to satisfy a restless hunger and a longing to know him. Paul and Maggie, who had honeymooned in Kauai, were back in the islands celebrating their first wedding anniversary when they spoke here. They also shared the joyful news that they are expecting their first child, a girl, in December. *(Reported by Gwen Mitsui; photo by Jolly Guerrero-Tano)*

On July 27, we had our **parish picnic** and fourth annual **Walk for Our Future** at Giggle Hill Park. This event is a parish favorite, bringing together families for a day of fun and camaraderie. Before lunch, walkers warmed up for the annual walk led by the children of the parish. Weeks before the event, walkers collected pledges from family and friends. This was not only a healthy event, it also raised money to pay for the land we have owned since Dec. 31, 2012. After the walk **Father Leonard Ssempijja** blessed the amazing spread of food and all who gathered. After lunch there were

games for the children planned by the **Freeman family** and a hike to the top of Giggle Hill. Portuguese horseshoe was introduced to Father Leonard who enjoyed a few games with parishioners. The students also studied St. Damien, a brother of the congregation. Heritage Week included Kupuna Day Sept. 17 when more than 80 grandparents visited. The morning began with Mass, followed by a student assembly that launched the new school year with an explosion of confetti and streamers as the children counted down to an exciting start of the year. For five hours a day, Zoe and her American peers, who came knowing very little of the language, attended classes taught by Russian teachers. During their last week, the students took the 13-hour train ride from Kirov to Moscow and toured Russia's capital city. Here she is pictured in Moscow outside Red Square. "The experience was life-changing," Zoe said. "I fell in love with the Russian culture and people."
